

Trial Verdict - Fanatics Entrapped

Trap customer loyalty with EDFRED products that has proven to be nearly fanatical by offering our uniquely attractive trial sizes.

Edfred developed these inexpensive introductions to prove these truly are "products that really work".

"Triple Shot Stain Packs" contain our three top sellers in a PVC shrink wrap. These are Garage & Driveway Cleaner, Shower Stall & Tile Cleaner, and Cling N Clean Toilet Bowl Cleaner.

Bar code is clearly marked for accurate scanning, located on a card in the bottom. (Products individually coded for optional use.) Not retail priced.

These also function beyond a promotional item as a solution for customers with small stain removal jobs. See individual product data sheets for additional features.
